**Expand**

# Decorate with Expand

Let Expand give a playful expression to your home. Place Expand on the wall to create an atmosphere in the room. Different light sources can be configured to match your style.

## 1. Select Design

The Expand series has several models so you can find which best suits your style. Cylinders, spheres and E27 with an LED filament lamp make it possible to customize Expand precisely to the style suitable for your home.

## 2. Select Length

Expand comes in 50 cm and 70 cm. If you prefer the lights to sit more closely together; then choose 50 cm, and if you want a more scattered placement you can use 70 cm.

## 3. Select Accessories

If you are setting up Expand in the ceiling, use a contact for ceiling fixation. You can also place it on the wall, and then it is convenient to use a cord with switch on, to more easy turn on and off.
